809 Design Awarded Appalachian State Installation

Charlotte, NC, October 5, 2009 – 809 Design LLC, a premier custom interior design and fabrication firm for the College, University and Retail sectors, has been awarded the fabrication and installation for Appalachian State’s basketball offices.

“809 Design is committed to providing custom and unique solutions for sports halls and athletic centers for colleges and universities nationwide,” commented owner, Eric Kucia. “With college sports being competitive on the courts and off 809 Design provides the perfect fabrication solutions to help set schools apart and take pride in their athletics.”
